

Microsoft Business Solutions (MBS)

PartnerSource Access Request Form

For Microsoft Retail Management System (RMS)
Solution Providers

The purpose of this request form is to provide qualifying Microsoft Partners with access to PartnerSource at <https://mbs.microsoft.com/partnersource/>

PartnerSource is a Microsoft Business Solutions Web site that provides partners with information and tools designed to assist with the delivery of Microsoft Business Solutions software to end-customers.

1. Eligibility & Requirements. To obtain access to PartnerSource through this form, you must:

(a) Not have an active MBS Solution Provider Agreement in place or any other agreement (such as the CRM Software Advisor addendum) that already provides you with access to PartnerSource. (If your firm already has access to PartnerSource by reason of some other agreement no action will be taken by us), and

(b) Agree to be bound by the PartnerSource Terms of Use and Privacy Statement, and

(c) Commit to becoming authorized to acquire Microsoft Retail Management System from an authorized distributor by passing the required exam(s), and

(d) Commit to provide Microsoft Retail Management to end-customers.

2. Successor Web Sites. We reserve the right to update, modify, or cancel PartnerSource at any time. However, if we create a successor Website, we will transfer any access rights you may have to the successor Web site.

3. Term and Termination. You will receive access to PartnerSource once we validate that you meet the eligibility criteria listed above. Your access to PartnerSource may be terminated immediately, at our discretion.

If you qualify for access to PartnerSource as outlined above, please fill out the fields below and sign the form. Return it to your distribution partner. Your distribution partner will forward this completed agreement to Microsoft Business Solutions upon recording your registration as Microsoft Retail Management Partner.
